

County 1st Team Match Report
Glamorgan v Carmarthenshire & Pembrokeshire
Pyle & Kenfig Golf Club
Sunday 12th May 2024

A squad of 7 travelled to the Championship Links course Pyle & Kenfig. The team looked very smart in their new polo shirts & sweaters.

The morning Foursomes were Sophie & Lucy, Elspeth & Alyson, Dwynwen & Ffion. Our first 2 pairs kept abreast of their matches in the initial stages. As the games progressed, they succumbed to the strength and skill of their opponents resulting in 2 losses.

Our 3rd pair however were very much in control of their match, unfortunate not to win but came away with a halved match.

Nicola Ward replaced Sophie Anderson for the afternoon singles. 6 matches were played with some excellent golf being played.

Our opposition, made up of many Welsh international players and a former professional proved too good for us losing 5 matches out of the 6. The exception being Lucy Davies who has recently returned to the game having played for many years as a junior at Ashburnham.

It was all eyes on this match for the last 2 holes but Lucy handled the pressure well, playing a long straight shot down the narrow 18th fairway. A well executed shot on to the green and finishing with a par, the win was secured.

Final match result: Glamorgan 7½ C&P 1½

Team members: Ffion Evans (Newport Links), Sophie Anderson, Lucy Davies (Ashburnham), Elspeth Owen, Alyson James (Haverfordwest), Nicola Ward, Dwynwen Holgate (Cardigan).

A lovely meal and great camaraderie followed with thanks to P&K for hosting the match on their very well presented course.
Thanks to all who played, the organisers and supporters.
